

Ensure Clean & Seal

Ensure Clean & Seal is designed to clean and protect porous tile, stone, and grout. Ensure Clean & Seal is safe to use on all porous natural stone, man-made tile, and grout.

Ensure Clean & Seal comes in two ready-to-use forms:

1. Ensure Clean & Seal Spray – Spray the surface and wipe it clean with a sponge or other absorbent material.
2. Ensure Clean & Seal Wipes – Wipe the surface clean and then throw the used wipe away.

Both forms include a sealant that will deposit a protective sealer on porous surfaces as they clean.

Product Safety

Ensure Clean & Seal is available for consumer use. It should be kept out of the reach of children. Ensure Clean & Seal should not be allowed to freeze or be stored where temperatures could exceed 100°F (38°C).

Avoid contact with eyes. In case of eye contact remove any contact lenses and immediately flush eyes with water for 15 minutes. Do not ingest this product or use it for personal hygiene.

Read and obey all instructions on the container, including cautions and first aid procedures.

Shelf Life

The shelf life of Ensure Clean & Seal is two years as long as it is away from extreme temperatures.

See MSDS in the Material Safety Data Sheet section of this manual for additional safety information.

Ensure Clean & Seal

Item # C018-12 (Spray)

Item # C093 (Wipes)
